

## Chapter 4 The State We're In Washington

### 1900-2000: A Century of Change

# Student Launch

### Quick write

*For each of the questions write down all your ideas. Be prepared to share with a partner or in a group.*

---

1. How have you changed in the past two years?

*Notes from your partner(s)*

---

2. How has where you live changed in the past ten years?

*Notes from your partner(s):*

---

### Brainstorm list with partner(s)

*In groups write down all ideas. Be prepared to share out.*

---

How do you think the area you live in now has changed in the past 100 years? *What are your informed guesses?*

---

How might it change in the next 100 years? *What are your predictions?*

---
