COLOR CRAZY

A color recognition game for 2 or more players

You will need:

a game board and a die and each player will need a set of Crayons, a Crayon pot and a counter/marker to move around the board.

(Recording sheet – optional)

Instructions

Players take turns to roll a die and move around the board accordingly.

When players land on a colored star or a crayon, they collect the matching color for their Crayon pot.

When players land on a color word and can read it correctly they collect that color Crayon.

If players land on a color they already have they must **MISS A TURN!**

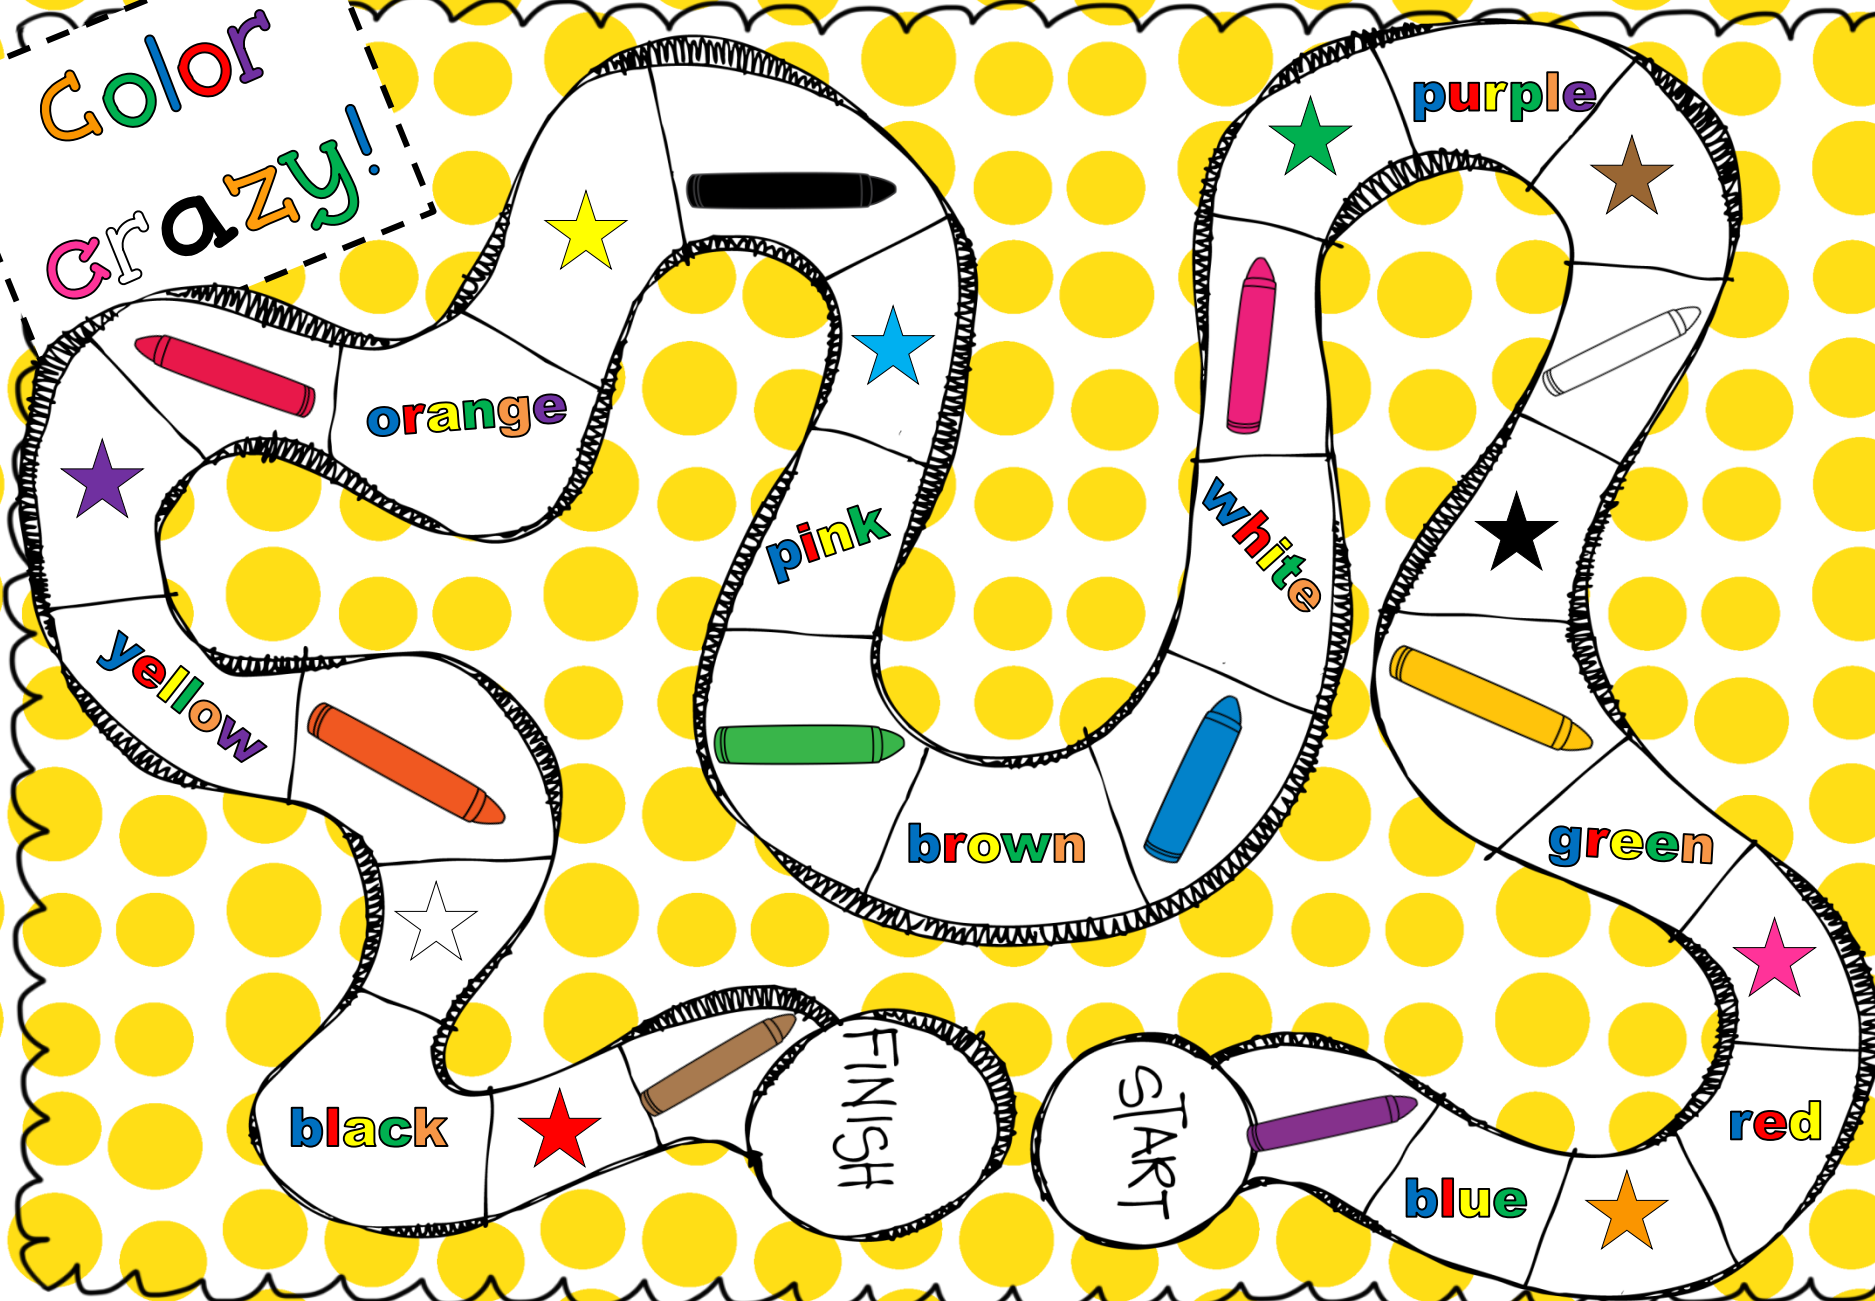

The player with the most colors at the end of the game wins.

(OPTIONAL EXTRA - players can record the colors collected on the recording sheets)

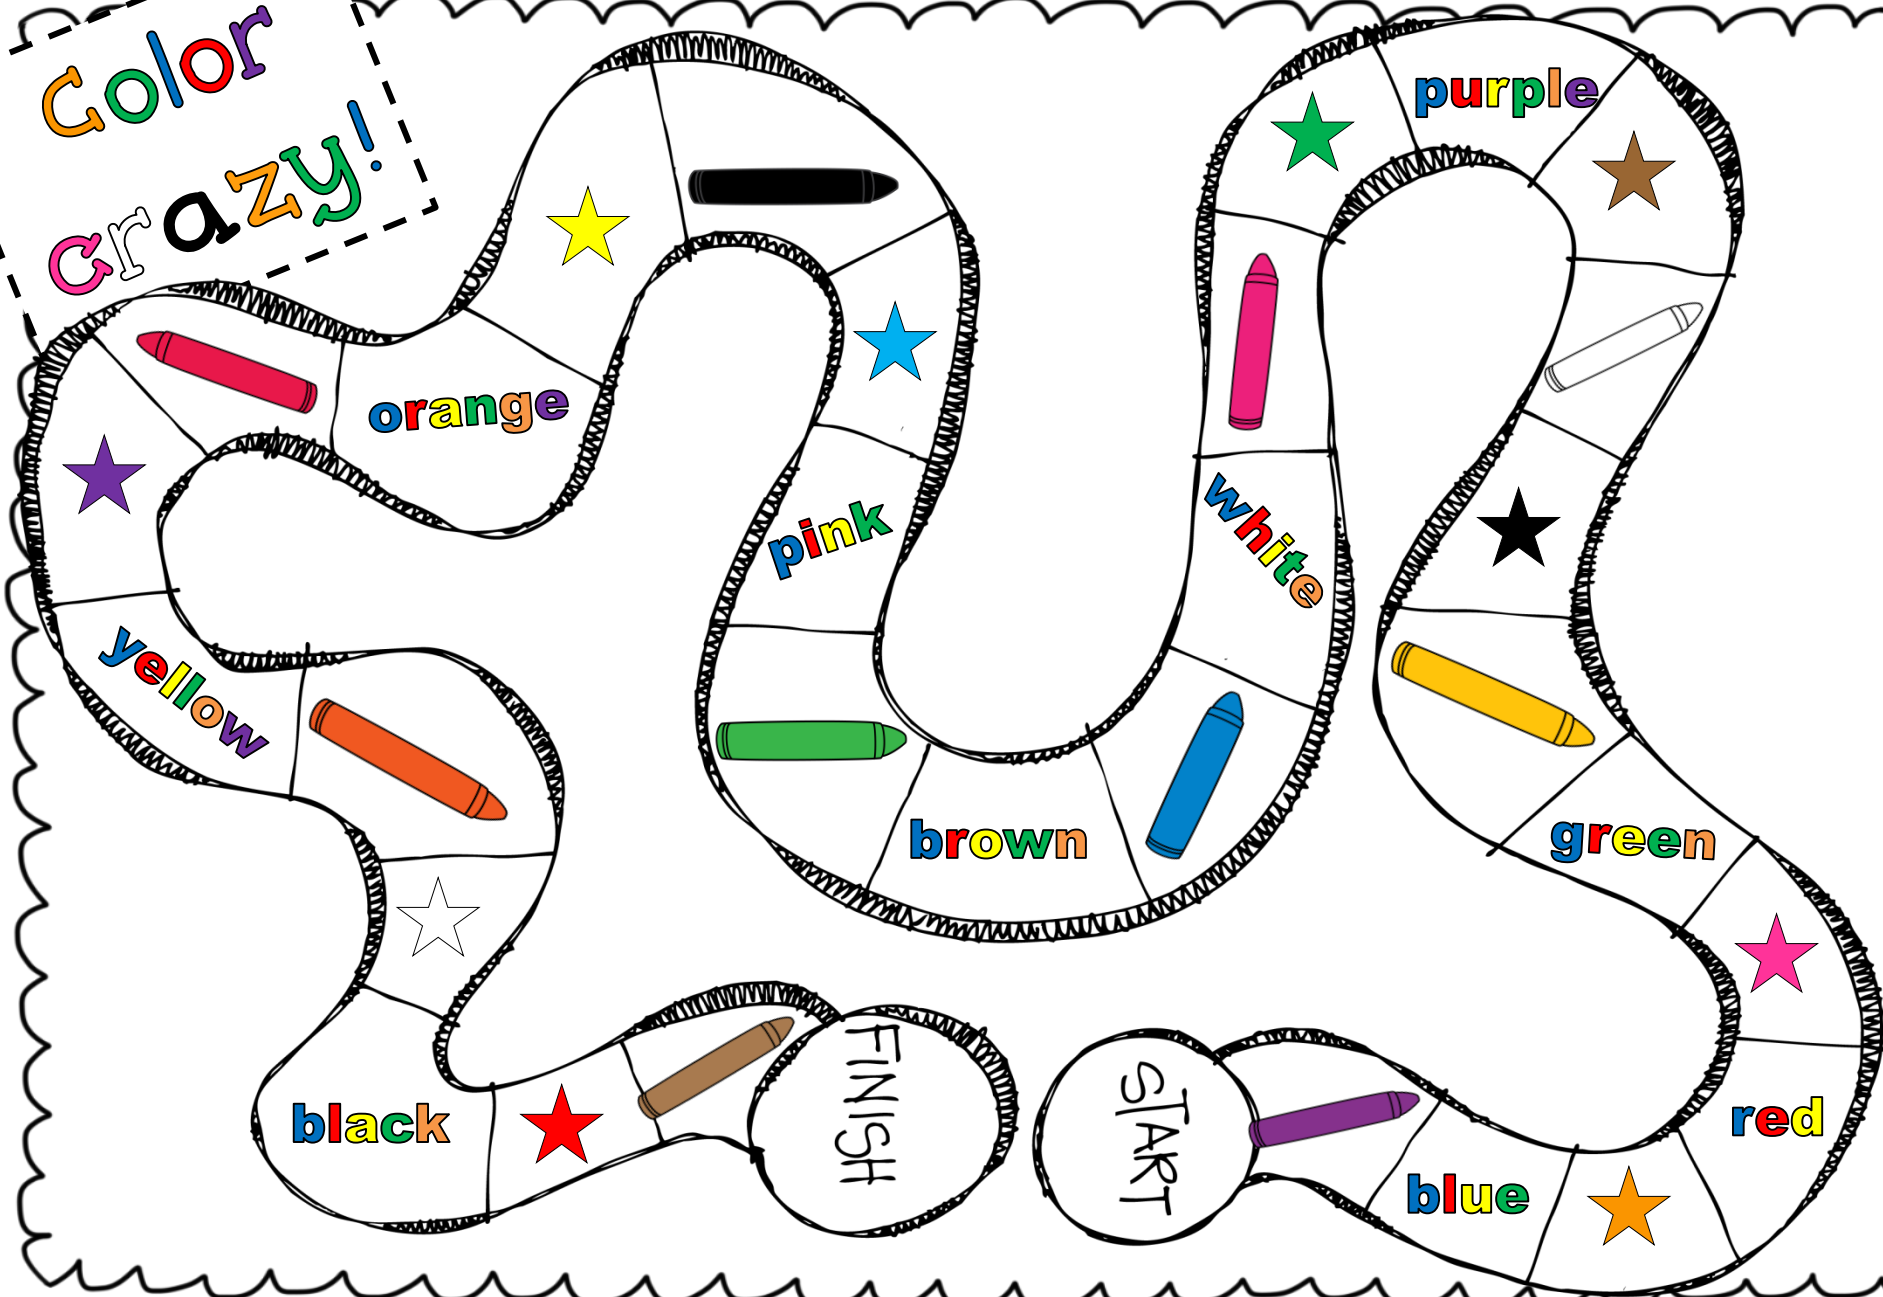

DIRECTIONS

- Print out and laminate the game board. (full color or white background version)
- Print, cut and laminate a set of crayons and a crayon pot card for each player.
- Print out a set of recording sheets if required.
- Print out instructions and attach to the reverse of the game board.
- Provide each player with a counter/marker, a crayon pot card and a set of crayons.
- You are ready to play!
