

# Dance 101

## Line Dance Assignment

1. Form a group of 2-5 people. Sign up with Ms. Cariotto.
2. Create a line dance routine to the music of your choice.
3. Music *must be approved* by Ms. Cariotto before using the song of your choice.
4. Criteria for the dance steps include:
  - 6 different 8 counts of dance moves. (Each person must come up with an 8 count.)
  - A total of *at least* 1 minute of continuous dancing.
  - Use at least one dance move from any of the line dances we performed in class.
5. Record your dance steps on this paper, along with all your group members names, and a name for your dance (ex: Thriller, Cupid Shuffle, Cleveland Shuffle, Cha-Cha Slide, the Wobble, etc...).
6. Present your dance to the class.

### **Dance Requirements:**

- **Your dance must have a name: the more creative, the better!**
- **Include everyone in your group. Each member should participate in the planning, presentation, and teaching of your dance.**
- **Make good use of your planning time!**
- **Turn in this completed paper on the day of your presentation. (Worth half your points.)**

***BE CREATIVE AND HAVE FUN!!!***
