

# Session 23 — End of Course Exam

## Navigating the Course - *Where are we in the course?*

OVERVIEW: The purpose of the End-of-Course Exam is to provide an additional measure of student learning. Use this exam, along with scores from the other projects in Unit 4, as an overall assessment of student learning in the course.

### Unit Concepts & Essential Questions Addressed in This Session

#### Unit 1

- How do I take ownership of my future?
- How do decisions I make today directly influence my future?
- How do I start career planning now?
- Why must I grow and develop college and career readiness skills?

#### Unit 2

- What are my options in the world of careers?
- How are trends, issues, and innovations changing the world of careers?

#### Unit 3

- What does it mean to be career ready?
- What is the right career path for me?
- How will my choices today affect my future?

## Session Vitals – *What must I know to facilitate this session?*
