SmarterMeasure
Learning readiness indicator

SmarterMeasure (formerly READ1)

SmarterMeasure is an assessment that measures learner readiness. SmarterMeasure is an indicator of the degree to which distance learning and/or learning in a technology rich environment will be a good fit for you. It will help you prepare to be successful as a student. You are not penalized for guessing on SmarterMeasure, please enter an answer for each question on the assessment. Upon completion of SmarterMeasure you will receive a score report which will not only help you understand your strengths and opportunities for improvement, but will also provide resources to help you succeed. Remember, this assessment is strictly for your benefit. Take the time to rate yourself honestly.
