

WEB-BASED LEARNING ENVIRONMENT INSTRUMENT

Directions for Respondents

This questionnaire contains statements related to your learning in a web-based learning environment (Moodle at EIT). You will be asked how often each practice takes place. The term “Blended” refers to the mixture of on-campus classes and online Moodle resources.

There are no 'right' or 'wrong' answers. Your opinion is what is wanted.

Think about how well each statement describes what the web-based learning environment class is like for you.

Draw a circle around

1	if the practice takes place	Never
2	if the practice takes place	Seldom
3	if the practice takes place	Sometimes
4	if the practice takes place	Often
5	if the practice takes place	Always

Be sure to give an answer for all questions. If you change your mind about an answer, just cross it out and circle another.

Some statements in this questionnaire are fairly similar to other statements. Don't worry about this. Simply give your opinion about all statements.

Please do not put your name anywhere on this form.

By completing this survey you are agreeing to participate in this research.
