

Exercise 1: Use of Translation Tool Technology

In this exercise, we will apply the technology through Translation tool to translate from English to Spanish Language.

Objective:

The objective of this activity is to identify the questions that you find difficult to interpret. Through the English to Spanish Translator you can know their meaning.

Perform the following instructions:

1. Click [here](#) to open the translator from **English** to **Spanish**
2. Select in the document “*Examples of Job Interview Questions*” the question that you had difficulty with.
3. Click the right mouse button and select the **Copy** option
4. Click on the box **Spanish** of the translator
5. On the keyboard, press the **Ctrl** key and the letter **V** to paste the text. (You can see in the English box the text translated into Spanish.)

Exercise 1: Use of Translation Tool Technology

In this exercise, we will apply the technology through Translation tool to translate from Spanish to English Language.

Objective:
