

CLEAN UP JOBS

CUTTING BOARDS

Make sure all cutting boards at your station are CLEAN. Make in empty space between each board so that they will completely dry.

POTS/PANS

Wash pots, pans, and serving platters at your station. Clean out the sink and make sure there is no food in the drain.

TOOLBOX

Take everything out of the toolbox. Make sure all knives, tools, and other items are clean and in their proper place.

SWEEP

Sweep under and around your table and cooking station. Sweep piles into a dustpan and empty into the trash.

COMPOST BUCKET

Empty the compost bin at your table. Wash, dry and put back.

TABLE CLOTH/WATER PITCHER

Shake out tablecloth. Fold and put in the cupboard if clean and in the hamper if dirty. Refill the water pitcher and put it back in the fridge.
