App Authors Day 5

Build, Test, & Evaluate

THE DESIGN PROCESS

Software solves problems.

1. What was your **original app idea**?
2. How has your **idea changed**?
3. Who is the **USER** for your app?

What are loops?

Tips for when you're stuck...

1. Ask 2 friends.
2. Ask an adult.
3. Try video tutorials on App Lab! Or “Remix” an app.
