

Douglass Branch Library Showcase

Supplies:

Tables set up in a U shape

Laptop for each participant

- Already set to Code.org login screen for quick access

Pencils

Recording device for participant interviews

Snacks

App Authors Brochures

Slideshow featuring screenshots of apps created during the program

Whiteboard & Markers

- Make sign to set in hallway: "App Authors Showcase"

Showcase Event (informal)

- Have slideshow playing so guests have something to entertain them while participants set up.
- Participants arrive, log in to their Code.org accounts and bring up an app they have made during the program and want to show off.
- Have participants fill out Project Summary Worksheet.
- Invite guests to walk around to different computers, observe the apps, ask participants questions.
- With parental consent, record participant interviews:
 - What did you think about coding before the program?
 - What do you think about it now?
 - Tell me about what you made during the program.
 - What was the hardest part of the program?
 - What was your favorite part of the program?
 - Anything else you'd like to say about the program? Etc.
