I can...

- Exchange information about where I will go, such as to the store
- Communicate with a friend to determine their favorite things
- Make a decision based on information from someone else

A wide-angle photograph of a busy New York City street, likely Times Square, viewed from a pedestrian's perspective. The street is filled with yellow taxis, a white van, and a bus. Pedestrians are crossing the street at a crosswalk. Tall buildings line both sides of the street, with American flags hanging from some of them. A large, dark rectangular box is superimposed over the center of the image, containing the text 'WARM UP' in a white, handwritten-style font. The sky is overcast and grey.
