performing eligible administrative activities in response to reports or referrals alleging abuse, neglect, or exploitation of Medi-Cal eligible elder or dependent adults who meet eligibility criteria for APS (see definition in Code 5691). Activities may only be claimed, at the level of SPMP, if the worker performing the activity meets the requirements to be an SPMP. Activities are limited to those necessary to help clients access services covered under the State's Medi-Cal plan, in order to reduce the risk of poor health outcomes. Allowable response activities by SPMP staff include those program planning and policy development activities to include:

- Liaison on medical aspects of the program with providers of Medi-Cal services and other agencies that provide medical care covered by the Medi-Cal program;
- Furnishing of expert medical opinions in order to facilitate access to Medi-Cal services;
- Assessing, through case management activities, the necessity for and the adequacy of medical care and services provided by Medi-Cal providers;
- Developing and reviewing policies and procedures for coordinating medical services for geriatric patients with Medi-Cal providers; and
- Consult with medical providers on Medi-Cal policies and procedures to ensure clients receive the Medi-Cal services for which they are eligible.

“SPMP can include time spent on referrals and coordination involved in managing the client's medical services, mental health services, home health care, durable medical equipment, etc. If these activities are not claimed at the time of a medical service since these activities are included in the medical service reimbursement rate.”

CODE 5721 APS - SPMP CASE MANAGEMENT

These activities will be performed by a SPMP qualified person. Includes selected activities to help eligible elder or dependent adult clients who meet the criteria for APS (see definition in Code 5691), and who are Medi-Cal eligible, to gain access to services covered under the State's Medi-Cal plan, in order to reduce their risk of poor health outcome. Includes time spent by SPMP staff who are not claiming these same activities through Medi-Cal Administrative Activities (MAA) or Targeted Case Management (TCM). These activities include, but are not limited to, development, implementation and management of Medi-Cal service plans; interagency coordination and liaison with Medi-Cal providers to improve the service delivery system; completing, updating, and disseminating any paperwork necessary to completion of these activities; and receiving or providing training related to these activities.

NOTE: SPMP performing non-enhanced health related activities record this time to Program 570.

Please Note: All Program Codes are subject to change pending federal approval.

Effective Date: July 1, 2018 through June 30, 2019

The following describes eligible activities, which may be claimed under the enhanced rate of 75 percent.
