

Lynne M. Jones, M.S.W, L.C.S.W., is a Wraparound consultant and trainer. She served as clinical division chief of a health and human services agency children's services branch, where her responsibilities included development, implementation, and management of interagency children's services and foster care, in collaboration with mental health, alcohol, and other drug, social services, and public health agencies. Jones' areas of expertise also include Independent Living Plans, services for foster youth, foster care nursing, and services and placement for severely emotionally disturbed children and youth.
