

<b>Parent/Youth Consumer Partner Implementation</b> <b>Phase General Skills</b>
-Listen actively to the family and youth to truly understand what they are saying
-Create and maintain team safety (“No blame. No shame.”)
-Assess team member satisfaction with the team process.
- Ensure all team members contribute and are active partners in the planning process.
-Provide individualized, peer to peer support to parents.
-Attend and participate in all Child and Family Team meetings.
-Support, respond, and/or implement proactive responses to families in crisis, both during and after business hours as designated in the safety/crisis plan.
-Meet with parent/youth before and after CFT meeting to review plans, support with completion and to gather feedback from parent/youth.
