

Coding - beginning self assessment

Your email address (mellissa.donohoe@mullenpublicschools.org) will be recorded when you submit this form. Not [mellissa.donohoe](#)? [Sign out](#)

* Required

1. **How comfortable are you with block coding? For example, sliding blocks into the program area telling the character to move forward and turn left/right. ***

Mark only one oval.

- ☐ 1 "I have no idea what you are talking about."
- ☐ 2 "I think I understand, but know I am going to need some help."
- ☐ 3 "I understand and am confident working on my own."
- ☐ 4 "I understand and am able to comfortably help/teach someone else who is struggling."

2. **How comfortable are you rewriting a code in a specific programming language? For example, you are given a problem that explains the answer using a specific language. Can you solve a similar problem, in that language? ***

Mark only one oval.

- ☐ 1 "I have no idea what you are talking about."
- ☐ 2 "I think I understand, but know I am going to need some help."
- ☐ 3 "I understand and am confident working on my own."
- ☐ 4 "I understand and am able to comfortably help/teach someone else who is struggling."

3. **How comfortable are you writing your own code in a specific programming language? ***

Mark only one oval.

- ☐ 1 "I have no idea what you are talking about."
- ☐ 2 "I think I understand, but know I am going to need some help."
- ☐ 3 "I understand and am confident working on my own."
- ☐ 4 "I understand and am able to comfortably help/teach someone else who is struggling."

☐ Send me a copy of my responses.
